

# SOUTHWEST SCORCHER

Volume 10, Issue 12

December 2007

## Ramblings by the president

Hi all can you believe the holidays are here and the year is almost over. Don't forget about our upcoming holiday party at the Kislacks. As usual, this a well-liked event by all, with food, gift exchange and from what I am hearing there is also a special event planned. We will also be having a short meeting during which we will hold our annual elections for the club officers. If you would like to run for a position, please attend, as you must be present to be nominated and or cast a vote. Positions are president, vice president, secretary, treasurer, membership chairman.

I would also like to remind everyone that we need prizes for the fast approaching April show. We rely on everyone to pitch in and use their resources to come up with these door prizes for the show. The prizes can be anything from a gift card to a die cast model or you can contact your local Pep Boys or other auto store and ask if they wish to donate to our car show. Enclosed in this issue is a donation letter that you can use to present the person or company that is making the donations.

Wishing all a safe and happy holiday season

See ya at the party

Jim

## From the Editor's Desk

I hope you are all having a happy holiday season.

Rumor has it that Santa's elves are finding it difficult to build all those AMC parts that you're all looking for, so Santa has hired some additional holiday help and he promises that those carburetors,

distributors, intake manifolds and other goods you want will be in his big red bag on Christmas eve!

As Jim mentioned, our holiday party is coming up on January 12<sup>th</sup> at the home of Larry and Gerry Kislack in Mesa. Larry and Gerry live at 815 S. Clearview Ave. in Mesa, AZ. 85208. Their phone number is (480) 396-7331 or (602) 432-5033.

Please contact them and let them know what food dish you will be bringing, they can also answer any questions you may have about the event or help you with directions. Please plan on bringing your own beverage.

I also want to remind everyone out there that our show is in April and we need cars for this show.

If your car is not running, please get it ready, if it is ready please do all you can to make sure it stays that way. Without your car there is no show, even more important, is the fact that even if your car is not a beauty-queen please plan on having it there anyway. There is an entry blank for the April show included in this issue of the Scorcher.

There will be no club meeting on December 29<sup>th</sup>.

There will be a short meeting at the Holiday party and the next meeting will not be until February 23<sup>rd</sup>.

We'll see you all at the holiday party.
