Volume 10, Issue 10

Ramblings by the president

Hi all, I don't have a lot of new things to talk about in this issue as most of the issues we brought up in a previous new letter. I would like to say thanks Peggy from Haggerty collector car insurance for coming to the last meeting as it was very informative. They may also be able to save you some \$\$ on your regular insurance as well through Allstate insurance. Just wanted to wish everyone a safe and happy holiday season. Jim

From the Editor's Desk

I hope you all had a great Thanksgiving holiday. Like Jim, I too want to thank Peggy from Haggerty Insurance for coming to our last meeting and educating us about collector car insurance, her presentation was great. Peggy also informed us that Haggerty can finance some collector car purchases as well at very competitive rates.

Our club schedule is a little different for the holiday season. As you know there was no November meeting because of the Thanksgiving holiday. Our next meeting will be Saturday December 1st at the *JB's Restaurant* at 5:00pm. The January meeting will be part of the Christmas party On January 12th at the home of Larry & Gerry Kislack.

I hope we can see all of you at the meeting on December 1st, but for those who can't make it let me take this opportunity to wish all of you a very happy holiday season and we'll see you at the party on January 12th.

Please be advised that there are a lot of members who have not renewed their dues. Please look at the date on your mailing label. If your dues have expired please contact Jim Jensen immediately at cratos@cox.com to arrange payment of your dues, thank you.
